PROWLER

REFRIGERANT LEAK DETECTOR

H85-611

LD-5000

The sleek, new black Prowler features a new manual calibration mode & reset control.

It's highly sensitive electrochemical sensor detects all HFC, HCFC, & HFO refrigerants, helping you find even the smallest of leaks.

CERTIFICATIONS:

CE, ASHRAE 173-2012,
EN 14624:2012, SAE J2791,
& SAE J2913

- ***NEW Manual Reset***
- ***Tested 10 Year Sensor Life***
- ***Safe To Use In Combustible Atmosphere***
- ***Mutable Alarm & Vibrating Handle***
- ***Excellent Circuit Stability***
- ***Programmable Sensitivity***
- ***Leak Indicator Bar Graph***
- ***Low Battery Consumption***
- ***Highly Sensitive Electrochemical Sensor For All HFC, HCFC, & HFO Refrigerants***
