JB Industries Donates $10,000 to Operation Homefront in Support of Military Families

Aurora, Illinois (March 5, 2018) – JB Industries, a premier manufacturer of American made HVAC/R tools and equipment, announced its continued partnership with Operation Homefront with a $10,000 donation to support the families of American service members and wounded warriors.

Since 2014, JB Industries has committed to donating a portion of sales proceeds to Operation Homefront for each PATRIOT Manifold, MSKIT1 or MSKIT2 Mini-Split Kit sold.

“Operation Homefront provides critical financial assistance that our soldiers need when returning home from serving our country. After hearing firsthand of the hardships they face during the transitional phase of returning to civilian life, JB Industries was motivated to support this tremendous organization.” - Jeff Cherif, President, JB Industries, Inc.

About Operation Homefront
A national nonprofit, Operation Homefront leads more than 2,500 volunteers with nationwide presence who provide emergency and other financial assistance to the families of service members and wounded warriors. Operation Homefront has provided assistance to thousands of military families since its inception in 2002. Recognized for superior performance by leading independent charity watchdog groups, nationally, 92 percent of Operation Homefront’s expenditures go directly to programs that provide support to our military families.
