

MINI-SPLIT TOOL KITS

MSKIT1, MSKIT2 & MSKIT3

MSKIT1 & MSKIT2

Everything you need for R410A ductless mini-splits in one convenient kit. MSKIT1 and MSKIT2 contain all essential tools to get the job done including the award winning PATRIOT™ 2-Valve Manifold, a KOBRA® Secure Seal hose set that is UL approved for R410A, and a heavy-duty six spanner head torque wrench.

MSKIT3

The MSKIT3 is an affordable solution for service technicians who already have a few basic tools in their tool box.

MSKIT1 and MSKIT2

MSKIT 3

The Manifold that Gives Back

For each PATRIOT™, MSKIT1 or MSKIT2 sold, JB will donate to Operation Homefront. To learn more about Operation Homefront, visit www.operationhomefront.net
